

TRIPLE P PRE-ACCREDITATION WORKSHOP

WHAT IS A TRIPLE P PRE-ACCREDITATION WORKSHOP?

The Triple P Pre-Accreditation Workshop is provided to practitioners ahead of accreditation, to allow an opportunity for individualised feedback on skill development, to practice competencies and discuss any relevant implementation issues in the presence of a Triple P Trainer.

Pre-Accreditation Workshops aim to reduce practitioners' anxiety and apprehension about accreditation, reinforce all aspects of Triple P, and build practitioners' confidence to deliver the service. A recent review shows that practitioners who attend a Pre-Accreditation Workshop are significantly more likely to successfully complete the accreditation process.

WHO IS IT FOR?

The Triple P Pre-Accreditation Workshops are useful for practitioners recently trained in Triple P, and also for those trained some time ago who were unable to complete accreditation at that time or since.

WHAT ARE THE WORKSHOP OBJECTIVES?

The objectives of the Workshop are to:

- Reduce anxiety about attending accreditation.
- Improve skills in demonstrating the core competencies.
- Increase confidence about programme delivery.
- Encourage access to ongoing support and local peer support groups.
- Clarify aspects of the training.

WHAT IS COVERED IN THE WORKSHOP?

The 1-day workshop, provides practitioners the opportunity to:

- See competencies demonstrated by a Triple P Trainer.
- Practice specific competencies with peers in preparation for their accreditation day.
- Discuss and clarify programme content that may be relevant to quiz questions.
- Discuss the Peer-Assisted Supervision and Support (PASS) Model – a structured feedback process to promote learning of a complex set of consultation skills.
- Discuss Triple P ongoing support (e.g. Triple P Provider Network, Web-based scoring application, Implementation Support).
- Learn more about Triple P Online.
